Brightwash Stain Pro 2 Powder

Description

A powerful oxygen-based laundry destainer, which gently removes stubborn stains from heavily soiled linen. This highly active product is effective at temperatures as low as 30°C, in all water conditions. It can also be used as a pre-soak destainer. Suitable for colours and whites

Directions for Use

Dose manually (hand dose)

Dosing Levels

Add 10 g/kg of dry weight laundry to the main wash cycle.
Soaking: add 50g per 5L of warm water (40°C). Soak whites for up to 6 hours, depending on soiling level. For colours soak for 1 hour only.

Do not use on wool, silk, or leather. Do not soak items with metal fasteners or flame-resistant finishes.

The dosing levels will depend on local conditions, wash types and machinery

Technical Data

Characteristic	Value/Description
Appearance	White powder
