## Brightwash Chlorine Bleach Powder

### Description

A powerful laundry destainer, which removes stubborn stains from heavily soiled linen. Ideal for use on white cotton and polycotton fabrics to remove persistent stains, for a bright, clean finish. Easy to use, free-flowing powder.

### Directions for Use

Dose manually (hand dose)

### Dosing Levels

Add 10 - 20 g/kg of dry weight laundry, depending on soiling level.  
Use only on white linen at temperatures up to 60°C.  
Can also be used as a pre-wash soak in cold water.  
Do not use on items with metallic parts, e.g., zips, buttons.

### Technical Data

Characteristic	Value/Description
Appearance	White powder
Odour	Chlorine
Density at 20°C	1.94

These figures are typical and should not be interpreted as specifications.
